MEMORANDUM FOR DEPARTMENT OF DEFENSE (DoD) PURCHASE CARD
AGENCY PROGRAM/ORGANIZATION COORDINATORS
(A/OPCs)

SUBJECT: General Services Administration (GSA) SmartPay Conference – Mandatory
for DoD A/OPCs

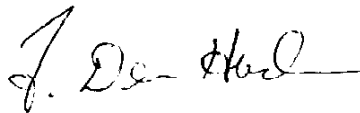

Acquisition workforce members who attend the GSA SmartPay Conference scheduled for August 30-September 1, 2005 in Boston, MA can earn Continuous Learning Points for attending. This GSA sponsored annual A/OPC training is for all SmartPay Government Card products (travel, fleet, and purchase cards).

As the Director of the Purchase Card Joint Program Management Office (PCPMO), I direct that this training is **MANDATORY** for ALL Department of Defense (DoD) Agency Program/Organization Coordinators (A/OPCs).

GSA training will be conducted throughout the three-day conference and Service-unique sessions are also planned, and can be used for additional credits. Supervisors may grant up to 20 Continuous Learning Points to acquisition personnel who participate in the entire conference.

I know that TDY dollars are scarce these days, particularly toward the close of the fiscal year. However, the participation of all Departmental A/OPCs at this event is critical from a couple of standpoints. First, these sessions present a singular opportunity for the program managers of the Component purchase card programs to communicate new policy or procedural guidance and otherwise exchange ideas with their community regarding the state of their card program. Secondly, it is imperative that the people responsible for their organizations card coordination are afforded the kinds of training, education, and professional development for them to perform more proficiently.

For additional guidance on establishing point values, the Continuing Learning Policy can be reviewed at <http://www.acq.osd.mil>.
